Dear Sir/Madam

Council Tax Discounts – 16 and 17 Year Old Residents

You have indicated that someone aged 16 or 17 lives in the property with you.

At present your circumstances are such that you qualify for a Council Tax Discount. However, if the number of adults in your property changes it may affect your entitlement to a discount.

For this reason I need to know when the 16 or 17 year old(s) living in your property will become 18 years of age.
