## WELCOME ...

Barnsley's famous market over 700 years old with over 300 stalls in indoor and open areas, is a great place to find anything and everything. Quality fresh meats, fish and fruit and vegetables, carpets, cosmetics, fine fabrics, hair pieces, specialist items for hobbies and the home and a welcome place for a well deserved coffee break!

## ... from FRESH FOOD

Only the best and highest quality fresh produce is available at Barnsley Market. With a wide variety of food available from including food sought from local suppliers,

succulent fresh meat, daily deliveries of fresh fish direct from the East Coast, locally grown fruit and vegetables, and a speciality food hall.

## ... to FLOWERS

Brighten your day or that special someone's day with freshly cut flowers, delivered to the market daily. From classic arrangements to luxury bouquets, seasonal decoration to house plants, they are all available in Barnsley Market. Orders taken, some make deliveries.

## ... to FASHION

Fashions to rival the high street stores, with designer boutiques including JUJO and Peach, there are designer brands direct from the catwalk, available at Barnsley Market to suit everyone's pocket.

## ... to FOOTWEAR

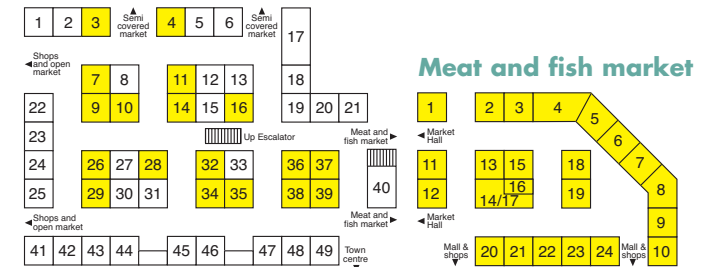

Whether it's a pair of slippers you're looking for, top quality walking boots, sequined sandals to match the perfect outfit, or a pair of winter warming boots, Barnsley Market will have the shoe that fits you!
