

Carlton Community College

Carlton Community College is a new learning centre providing modern state-of-the-art facilities for all learners. The new college is located on Royston Lane and specialises in both science and the performing arts.

The College promotes and encourages active travel as walking and cycling to school are healthier and more environmentally friendly.

Our mission is to be a highly effective place of learning providing the best quality education.

Sustrans is the charity that's enabling people to travel by foot, bike or public transport for more of the journeys we make every day.
