

'WoW' Walk once a Week

Your child's school has agreed to take part in **'WoW'**.

The **"WoW"** scheme encourages pupils (and parents or carers) to walk to and from school one day in every week of the school year. A badge is awarded to each child who has walked to and from school on **every** designated day for the entire term. To maintain your child's interest the design of the badge changes every term and there are several badges to collect.

There will be a chart for each class so that your child can record if they have walked on the designated day.

We hope you will be able to support **'WoW'** and notice the difference around the school entrance on your **'WoW'** day.
