Thank you for recycling right and helping us protect our environment. Around 47% of Barnsley's waste is recycled. We want to work together to increase this by carefully sorting our recycling into the correct bins. That's why we've added plastic pots, tubs and trays to the items you can put in your brown bin.

Please put bins at the kerbside before 6am on collection day. Additional bags of plastic and tins can be left next to your brown bin (must contain no glass). Extra cardboard can also be left next to your blue bin when the weather is dry. Please tear it up small and load it into one box small enough to fit back in your bin so the crew can re-fill and re-empty your bin for you. Please don't put it out when wet. No additional bags can be left with grey or green bins.

### BLUE BIN

- Clean dry cardboard
- Junk mail
- Egg boxes
- Letters and waste paper
- Newspapers and magazines

### BROWN BIN

- Food tins
- Drinks cans
- Glass bottles and jars
- Plastic bottles, including bleach, shampoo, hand wash and shower gel
- Plastic pots, tubs and trays

### GREEN BIN

(March - November)

- Small twigs and branches
- Leaves
- Cut flowers and grass
- Weeds
