Dear Requester,

Re: Request for Information – Freedom of Information Act 2000

I wish to confirm that the council has completed its search for the information which you requested.

The information requested and our findings are as follows: -

Q1: How many children have/awaiting or receiving support due to bring sexually exploited on roblox since 2006 (if the data is not available from 2006 it can be from the last 5 years if that is unavailable the last few years will be sufficient) I would like this data to be shown in a spreadsheet number of victims by year.

Q2: How much money has been spent supporting the families of these crimes ? I would like to see how much money is spent on supporting families related to being exploited on roblox per year.

Q3: Has your council gave public information in relation to the dangers of roblox to parents? If so I would like a copy of these publications or on your website

Q4: Has there been any formal training to identify children who are being exploited on roblox within your council? If so how many staff are trained?

We do not record this specific information.
