

My Ref: FOI 6461
Enquiries to: Information Requests
E-Mail: informationrequests@barnsley.gov.uk

Dear Requester,

Re: Request for Information – Freedom of Information Act 2000

I wish to confirm that the council has completed its search for the information which you requested.

The information requested and our findings are as follows: -

I would like to request:

1. Any information on the nearby Pools Dike, Cudworth Dike, and the surrounding ponds, including flood modelled data (if available), flood defences, flood history etc.

The Watercourse Pools Dike, Boulder Bridge Dike, Shaw Dike and then Cudworth Dike run adjacent to Boulder Bridge Lane on the opposite side to the site. The Environment Agency flood maps show the site mainly in Flood Zone 2 but with Flood Zones 3 around the watercourse. I am not aware of any EA flood defences. Flooding has occurred on land above Boulder Bridge to the north of the site.

2. Details of any groundwater flooding issues in the area

I am not aware of any ground water issues

3. Details of any sewerage flood risk at the site.

There is no sewer network on Boulder Bridge Lane but a CSO discharges into Pools Dike to the north

4. Details of any other (reservoir, Barnsley Canal etc) flood risk at the site

Barnsley Canal is to the west which has 2 outlets, 1 adjacent to Shaw Lane and the main one is near Royston off Cronkhill Lane. The ponds for Carlton Nature Reserve are to the South and downstream

If you have any queries about this letter, please contact Information Requests Via email.

Please remember to quote the reference number above in any future communications.

If you are unhappy with the way the Directorate has handled your request, you may ask for an internal review. Please clearly mark your correspondence 'Complaint' and address it to:

Barnsley MBC
