Dear Requester,

**Re: Request for Information – Freedom of Information Act 2000**

I wish to confirm that the council has completed its search for the information which you requested.

The information requested and our findings are as follows: -

**I am writing to request information on the costs incurred by the council in complying with the Climate Change Act 2008 since May 2022.**

**Specifically, I would like to know the total expenditure related to compliance, including - but not limited to - costs within the Housing, Transport, and Executive departments. If possible, please provide a breakdown of these costs by department.**

There has not been any direct expenditure incurred to comply with the Climate Change Act 2008. The principle of sustainable development is undertaken as business as usual through legislation like the Town and Country Planning Act 1990 or Housing Act 2004.

If you have any queries about this letter, please contact Information Requests Via email.

Please remember to quote the reference number above in any future communications.

If you are unhappy with the way the Directorate has handled your request, you may ask for an internal review. Please clearly mark your correspondence 'Complaint' and address it to:
