Dear Requester,

Re: Request for Information – Freedom of Information Act 2000

I wish to confirm that the council has completed its search for the information which you requested.

The information requested and our findings are as follows: -

I think this is the same project which was the subject of a Council news release on 5/8/25 –

I would like to request a list of the parks which have received/ will be receiving funding through this initiative and how much has been allocated to each park please.

- see attached spread sheet 2026 02 09 FOI5604 Parks LWYL

I would also like to be sent a copy (electronically, please) of any over-arching document which lays out the process by which the parks were included and how others were excluded.

- The overarching programme is called Love Where You Live and this is funding has been allocated to local communities across Barnsley to improve pride of place. There is not an overarching document.

I would like to know whether the nature reserves managed by Parks Services were subject to that process please?

- Yes
