Dear Requester,

Re: Request for Information – Freedom of Information Act 2000

I wish to confirm that the council has completed its search for the information which you requested.

The information requested and our findings are as follows: -

Under the Freedom of Information Act 2000, I am writing to request information relating to Penalty Charge Notices (PCNs) issued by the authority for yellow box junction contraventions.

For the purposes of this request, I am referring specifically to PCNs issued for vehicles entering and stopping in a yellow box junction when prohibited.

I would be grateful if you could provide the following information:

Q1. The total number of PCNs issued for yellow box junction contraventions during each of the following periods:

1 January to 31 December 2023

1 January to 31 December 2024

1 January to 31 December 2025

1 January to 31 July 2026

If figures to 31 July 2026 are not yet available, please provide figures to the latest complete month available and specify the period covered.

We do not issue PCNs for yellow box junction contraventions.

Q2. For each of the periods above, please provide the five yellow box junction enforcement locations where the highest number of PCNs was issued, including:

The road, junction or enforcement location name.

The number of PCNs issued at that location.

If fewer than five yellow box junction locations were enforced during any of the periods above, please provide figures for all locations enforced.

Q3. For each of the periods above, please provide the total amount received by the authority from yellow box junction PCNs issued during that period.

If revenue is not recorded according to the date on which the PCN was issued, please provide the information in the format in which it is held and explain the basis used.

Q4. For yellow box junction PCNs issued during each of the periods above, please provide, as at the date of your response:

The number of PCNs for which an outstanding balance remains.

The total outstanding balance relating to those PCNs.

Q5. Please provide the total number of yellow box junction locations currently subject to camera enforcement by the authority.

Q6. For yellow box junction PCNs issued during each of the periods above, where available, please provide:

The number of formal representations received.

The number of representations accepted, resulting in the PCN being cancelled.

If your authority does not currently enforce yellow box junction contraventions, please confirm this.

If any requested information is not held, or is not held in the format specified above, please provide the remaining information that is available and explain how the relevant data is recorded.

If complying with the request in full would exceed the appropriate limit under Section 12 of the Freedom of Information Act, I would be grateful if you could advise which elements could be provided within the limit and how the request could be refined.

If you have any queries about this letter, please contact Information Requests Via email.

Please remember to quote the reference number above in any future communications.

If you are unhappy with the way the Directorate has handled your request, you may ask for an internal review. Please clearly mark your correspondence 'Complaint' and address it to:
