Achieve**it**

Be the best you can be

We are working hard to make Barnsley a better place for everyone.

We have 8 leaflets about the work we are doing.

We are calling this work **Town Spirit**.

This leaflet is about learning and job opportunities in Barnsley.

Be the best you can be

We want everyone in Barnsley to have a good education and a good job.

We'll help you and your family to achieve this.

This means you will have more choices when you look for a job.

It also helps eliminate poor health and poor living conditions.

What we will do:

School

- Provide childcare and school places

College

- Support schools and colleges

Work

- Help you to get a good education

- Help you to find a good job.

What you can do to help:

- Get your children ready for school on-time every day

- Help your child to learn outside of school
- Help your child go to College or University

- Make sure **you** stay in education and training to further your career.

Barnsley is a great place and together, we can make it even better.
