Building a better Barnsley

We are working hard to make Barnsley a better place for everyone.

We have 8 leaflets about the work we are doing.

We are calling this work **Town Spirit**.

This leaflet gives information on our construction plans for Barnsley.

Building a better Barnsley

We're creating a family friendly town centre, full of opportunity and potential.

It will be accessible and have a high-quality market, shops, leisure and other facilities.

We will also be building more homes better suited to our tenants needs.

What you can do to help:

- Visit your town centre, local attractions and leisure centre regularly

- Shop locally to support local business

- Tell us about any empty homes.

Barnsley is a great place and together, we can make it even better.

More information is available on our website
