Having your say on things that matter

We are working hard to make Barnsley a better place for everyone.

We have 8 leaflets about the work we are doing.

We are calling this work **Town Spirit**.

This leaflet is about how you tell us what's important.

Having your say

We all want to make Barnsley even better.

As you live here, your ideas for making Barnsley better are important to us.

By working together, we can understand what ideas are best.

Please tell us if you have anything to say on improving Barnsley and the local area.

What we will do

- We will give you more information online and through community groups.

- We will ask your opinion on things that matter.

- We will give you a say in the decisions we make

- We will help you be more active in your community.

- We will act on the things you tell us.

What you can do to help:

- Follow us on social media

- Tell us your thoughts, sign up for our questionnaires

- Tell us what you think of the work we are doing

Barnsley is a great place and together, we can make it even better.
