Supporting business in Barnsley

We are working hard to make Barnsley a better place for everyone.

We have 8 leaflets about the work we are doing.

We are calling this work **Town Spirit**.

This leaflet is about how we help business in Barnsley.

How we help business in Barnsley

We help new and existing business in Barnsley.

We help them find property and help with some early costs.

We're also creating new business properties in the area.

This means there will be more jobs available in Barnsley.

We are offering training to teach people how to do these jobs.

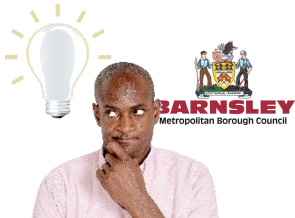

Let us know if any of this interest's you?
