

# Protectit

## Protecting Barnsley and the local area

We are working hard to make Barnsley a better place for everyone.

We have 8 leaflets about the work we are doing.

We are calling this work **Town Spirit**.

This leaflet is about protecting and looking after our local area.

# Keep Barnsley beautiful

We want to keep Barnsley clean and recycle more.

We're making it easier for you to:

- dispose of large items
- recycle more
- have a more energy efficient home
- prepare for flooding.

Trans Pennine Trail™

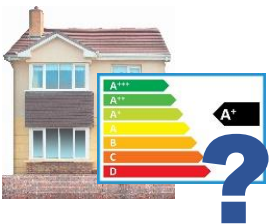

We also look after the local parks and The Trans Penine Trail.

When visiting any outdoor space please use the correct bins.

**What you can do to help:**

- Recycle more
- Make your home more energy efficient

- Be prepared for flooding.
- Use the correct bins at home for recycling and rubbish.

Barnsley is a great place and together, we can make it even better.

More information is available on our website
