

SOUTH YORKSHIRE SAFEGUARDING AWARENESS WEEK 2019

WHAT?	Using the Amazon Alexa to support memory loss and stay safe
WHEN?	11 July 2019 2pm to 3.15pm - Max numbers:15
WHERE?	Town Hall Room 12
ORGANISED BY?	Barnsley Council's Digital Champions digitalchampions@barnsley.gov.uk
WHO FOR?	<p>This event is aimed at the carers, professionals and family members of people affected by memory loss or who could benefit from voice activated technology to help keep them safe in their own home.</p>
BRIEF OUTLINE OF THE EVENT	<p>This event will explore how voice activated technology, like the Amazon Echo (Alexa) can support people to live independently. The session will cover: setting up daily routines, alarms and reoccurring reminders; activating skills like 'Help my buddy' which can be used to alert family members/carers of a fall; and using games to improve memory function.</p>
