

## Item 4-1-4 Barnsley Safeguarding Adults Board (BSAB). Pathways and Partnership sub group Report.

24<sup>th</sup> January 2019

The aim of the Pathways and Partnership Subgroup is to support Barnsley Safeguarding Adults Board (BSAB) work by making sure that good policies and procedures are written and used to keep adults safe from abuse or neglect.  
Date of last meeting: 12.12.2018

### ***What's working well?***

Writing new guidance to make sure that professionals understand what advocates can do to help people during the safeguarding process and to know when they should appoint an advocate.

Advertising campaigns to raise awareness of simple actions that people can take in their own lives and communities to help keep others safe from abuse or neglect.

Looking at how different organisations can help people who might be at risk of abuse or neglect to be less likely to be lonely or isolated.

### ***What we are thinking about'***

How we help care homes and support to live at home services to prevent and treat pressure ulcers and how this links with safeguarding people at risk.

### ***What action has been taken?***

Guidance is being developed with care homes and support to live at home services.

### **Next Steps**

Finish writing guidance and ask care homes and support to live at home services to let us know if it is helpful.
