#coronavirus

## Important safety information

Public rights of way which pass close to private homes, go through gardens, farmyards or stables remain open, but if you can find different routes to use it would be helpful.

You must always **observe social distancing** to prevent the spread of coronavirus.

**Please follow Defra and Public Health England advice:**

- **Stay at least two metres away from other people.**
- **Wash or sanitise your hands after touching shared surfaces like stiles or gates.**
- **Keep dogs on a lead around livestock and away from other people or other dogs.**
- **Leave gates as you find them.**

**Thank you for your understanding and co-operation.**
