4. The successful academy sponsor will be expected to be flexible in how classes are organised to respond to the demand for places, including children who move to the area after the normal admissions round for Reception group. They will be expected to demonstrate how they will make sure that the need for additional places in the Royston area are met without promoting or encouraging a large-scale relocation of existing pupils fro other schools. It is envisaged that the school will open with Reception Group and possibly other years groups to smaller extent and grow year on year. How do you feel this would meet the needs of the community given that places would be available in other year groups in other schools>

6. The Council is committed to ensuring that all services are delivered fairly. We are therefore asking you the following questions about yourself and your family so that we can ensure services are delivered equally to everyone. The information you provide will be kept confidential but may be used by the council to check the fairness of any services you receive. You do not have to answer these questions and it will make no difference at all to the way the Council treats you whether you answer them or not. Are you?
