INTRODUCTION

This Annual Infrastructure Funding Statement describes Section 106 activity for the period 1st April 2021 to 31st March 2022:

- The Council's internal process relating to Section 106 contributions
- The Section 106 contributions paid to the Council in the 2021/2022 monitoring period
- Projects delivered in the Borough through Section 106 in 2021/2022
- Section 106 contributions secured for future years

SECTION 106 OBLIGATIONS

Planning obligations, commonly known as Section 106 Agreements are legal agreements negotiated between a Local Authority and developers. They are intended to make a development proposal acceptable which would be unacceptable without such an agreement, thus allowing planning permission to be granted. An agreement must be fairly and reasonably related in scale to the proposed development and be relevant to planning and should only be used where planning conditions attached to a planning permission would not provide an alternative approach.

In Barnsley, Section 106 Agreements have been used for a wide range of developments. Generally, it is possible to classify planning obligations in Barnsley into the following categories:

- Affordable housing
- Public open space
- Highways/Sustainable Travel
- Education
- Biodiversity
- Planning (miscellaneous)

THE SECTION 106 PROCESS FOR SPEND OF FINANCIAL CONTRIBUTIONS

- Financial contributions are requested through Section 106 obligations when on-site infrastructure or affordable housing required by policy is not appropriate.
- Once the Section 106 has been signed, it will only come into effect if the planning permission is implemented and reaches the trigger point for payment such as on commencement or prior to occupation. When the Section 106 is signed, it is registered as a land charge which stays with the land, obligating any future landowners until the terms are met.
- The flow chart below shows the process of the monitoring/spend of Section 106 monies:

SECTION 106 CONTRIBUTIONS SUMMARY

INCOME

During 2021/22 Barnsley Council received cash income of £3,630,485. Part of this income relates to some of the Section 106 Agreements signed in 2021/22, but the majority relates to agreements signed in earlier years for developments that were being delivered and hitting financial trigger points in 2021/22.

The table below provides a summary by category, of the income received in 2021/22. The tables that follow provide a detailed breakdown of that income.

Categories	Total (£)
Affordable Housing	754,317
Public Open Space	575,197
Education	1,895,562
Sustainable Travel	405,409
Total:	3,630,485

	Total:	427,839

Sustainable Travel

Sustainable Travel projects are implemented by the Council following receipt of a commuted sum and this is shown in the table below:

In-direct provision by Barnsley Council via Commuted Sum during 2021/2022:

Planning References	Project	Total Spend (£)
2020/0274	Implementation of a car park, Lairds Way, Penistone	170,000

	Total:	170,000
--	---------------	----------------

CASE STUDIES

Affordable Housing Scheme

Laithes Lane, Athersley South

Seven new council bungalows have been built on a site off Laithes Lane, Athersley South. Woodmoor View is a scheme of six two-bedroom bungalows and one three-bedroom bungalow, to be managed by Berneslai Homes. The bungalows have high levels of insulation and double glazing throughout. They are fully electric and have air source heat pumps to provide heating and hot water, solar panels to generate electricity and a battery system to store electricity generated by the panels. The technology installed is designed to have low carbon emissions during use and will help residents to manage their energy use. The bungalows have been designed to be accessible for people using wheelchairs or with mobility issues. They also have electric vehicle charging points and cycle storage.

Public Open Space Schemes

Oxspring Multi – Use Games Area (MUGA), Oxspring

A Section 106 contribution was made to Oxspring Parish Council towards the delivery of a new Multi – Use Games, Area (MUGA) in Oxspring:

Thurnscoe Community Plaza, Thurnscoe

A Section 106 contribution was made to Big Local Thurnscoe towards the delivery of the new Thurnscoe Community Plaza.

Improvements at Winter Avenue play area, Royston

A new knee rail fencing was installed at Winter Avenue play area, Royston.

BALANCE HELD

At the end of March 2022, £9,491,630 of Section 106 monies were held by the Council as shown in the following table:

Break Down	Amount (£)
Live Schemes	502,257
Unallocated/Monies available	8,648,035
Revenue (grounds maintenance)	341,338
Total:	9,491,630

All of the unspent uncommitted income is earmarked for a range of developments including delivering affordable housing, improving public open spaces which may include installing new play equipment and improving parks and woodland areas which will be developed by Project officers in consultation with Ward Members and the community. Often when Section 106 funding comes in smaller chunks and these are combined over time to invest in larger projects with greater impact in the community.

SECTION 106 CONTRIBUTIONS SECURED FOR FUTURE YEARS

During 2021/2022 a total of 15 Section 106 Agreements were successfully negotiated between the Local Authority and developers.

For a number of reasons developers do not implement all planning permissions and therefore if a planning permission is not implemented, the associated Section 106 Agreement will not be implemented.

The following tables highlights that the vast majority of provisions included within Section 106 Agreements signed during 2021/2022 involved a financial contribution to the Council. There are also provisions to be delivered directly by the developer.

Affordable Housing

Planning Reference and date signed	Development	Section 106 amount (£)	Proposed Section 106 Works to be delivered
2019/0577 8 th April 2021	Former Mount Vernon Hospital, Mount Vernon Road, Worsbrough	£193,180 (index linked)	For the improvements to, existing affordable housing elsewhere within the Council's area
