Dear Requester,

Re: Request for Information – Freedom of Information Act 2000

I wish to confirm that the council has completed its search for the information which you requested.

The information requested and our findings are as follows: -

Regarding the services outside/secondary employment policy, does your service allow its uniformed employees, including its protection staff, to undertake fire safety work in a private capacity such as fire risk assessments, fire training and other fire consultancy work outside the boundaries of the service area?

The Council is not a uniformed service and there I believe that your request is not applicable. If this interpretation is incorrect, could you please clarify for reconsideration.

If you have any queries about this letter, please contact Information Requests via email.

Please remember to quote the reference number above in any future communications.

If you are unhappy with the way the Directorate has handled your request, you may ask for an internal review. Please clearly mark your correspondence 'Complaint' and address it to:
