

## **Age Friendly Barnsley Awards Nomination Form**

The Age Friendly Barnsley Awards are about celebrating older people in our communities; their achievements and contributions in a way that portrays positive images of ageing.

We are always on the lookout for older people, or those who work with older people, who have made a particularly significant contribution to our community here in Barnsley. Both individual and group awards can be given, at the Nomination Panel's discretion.

If you know someone who fits the bill, please complete this form and return to James Higginbottom, Age UK Barnsley either via email:

[j.higginbottom@ageukbarnsley.org.uk](mailto:j.higginbottom@ageukbarnsley.org.uk) or post: C/O 36A Queens Road, Barnsley, S71 1AR.
