The council's element of the Council Tax is proposed to increase by 3.9%\*. This is broken down by 2% to support Adult Social Care and 1.9% to fund core services. This includes support for people that need it the most, schools and education services, maintaining open spaces, bin collections, roads, highways and street lighting maintenance.

\*This does not include the amount you pay towards police and fire authorities.

We know money is tight and we have not taken this decision lightly. We've explored a number of options and done everything we can to minimise the impact of this increase on you and your family. Page 7 provides more information about support for you and your family.

## Annual increase 3.9%

### What will the increase mean to me?

If you live in an area that has a Parish Council, you may also have to pay an additional amount set by the Parish Council which we also collect on behalf of the individual parish precepts. This amount can be found on our website:

## Support for you and your family

We're providing additional Council Tax Support to around 24,000 households across the borough, which includes additional funding provided by the Government Council Tax Support Fund.

People on the Local Council Tax Support Scheme will see no increase in the council's element of their Council Tax bills. Some people on the lowest incomes will see a decrease in their bills as we're providing a one-off grant to them.

If you're struggling to pay your Council Tax and can't access Local Council Tax Support, we have a Council Tax Hardship Support Scheme which might help people who are in financial crisis.

If you need help managing your money, utility bills, food and housing, employment and skills, and household support grants, please look at the range of help on offer on our [More Money in Your Pocket](#) webpage.

# This week, you were served by Barnsley Council

It's important to remember that Council Tax is only a contribution towards the day-to-day running costs of delivering our services – it's not a charge for individual services. Council Tax only contributes towards around 20% of the total amount we'll spend delivering our services and does not contribute towards any capital investment schemes we deliver.

## Here's a snap shot of what your Council Tax contributes towards in one week

 **684 tonnes**

of waste was recycled

**49,217**  
square metres  
of grass was cut

We've gritted and cleaned roads within the borough's **729 mile** network

**179,012**  
bins were emptied

**84 incidents** 

of fly tipping were removed

 **89 incidents**

of anti-social behaviour were dealt with

**94 children**  
per year were found loving foster homes

**2,878**  
people were cared for including those receiving home support

It costs around **£11M** a week  
To provide the services you need. Council Tax only contributes £2M towards these costs.

## How do you work out how much council tax you need to charge?

To work out how much Council Tax our residents need to pay, we work out how much money we need to deliver our services and then take away the money we receive from the government and other sources. This leaves us with a funding gap or short fall that we need to fund through Council Tax contributions.

## Why has my Council Tax increased?

Despite our efforts to make financial savings, we're faced with ongoing cuts from the government and a growing demand on our services which increases the gap in funding we need to fill. If we didn't increase Council Tax to fill this gap, we'd have to cut vital services as the funding is simply not there.

## Why is my Council Tax bill more than my friends?

The amount of Council Tax you pay depends on the property band you live in. All properties are banded into one of eight valuation bands (A to H) set by the government. If you live in an area with a Parish Council, you may also have to pay an additional precept set by them which is added to your bill.

## Why do I have to pay for services I don't use?

Council Tax is like income tax – it's not a charge for individual services, it contributes towards the overall running costs of delivering our services. It contributes towards lots of services you use daily that benefit everyone - such as, your bin collections, road maintenance and public health. Some services are used by fewer residents depending on personal circumstances but remember, we never know what services we may need in the future.

## How do I pay my council tax?

You'll receive your bill in March which outlines payment options. You can pay the annual bill in one go or in monthly instalments. The easiest way to pay is to set up a Direct Debit – you can choose whether to pay over 10 or 12 months and you can even choose out of four dates when the payment leaves your account each month.

Even better, register for a My Bentax account so you can access information about your bill, change payments details and even register for paperless e-billing. To do this, visit:

[barnsley.gov.uk/MyBentax](https://barnsley.gov.uk/MyBentax)

## What do I do if I can't pay my Council Tax?

If you're struggling to pay your bill, please let us know as soon as possible so we can make reasonable alternative payment arrangements.

## What will happen if I miss a payment?

If you don't pay your Council Tax bill on time, we'll send you a reminder telling you how much is overdue which you'll be required to pay within seven days. If you fail to do so, you could lose the right to pay in instalments. If payment is still not made as required, recovery proceedings may be taken against you. For more information, visit:

[barnsley.gov.uk/CTrecovery](https://barnsley.gov.uk/CTrecovery)

## Could I be eligible for a discount or exemption?

Depending on your personal circumstances, you may be eligible for a discount on your Council Tax, for example, if you're the only person over 18 living in your home, you're a fulltime student, or your property is unoccupied whilst undergoing major repairs. In some cases, you may be eligible for council tax support or exempt from paying Council Tax at all. For more information about discounts and exemptions or to make an application, visit: [barnsley.gov.uk/Council-Tax](https://barnsley.gov.uk/Council-Tax).

## How can I find out more information?

Information about all aspects of Council Tax - including how to pay, telling us about changes to your circumstances, discounts and exemptions, and managing your account online can be found all in one place on our website: [barnsley.gov.uk/Council-Tax](https://barnsley.gov.uk/Council-Tax).

To make things even more convenient, we've introduced a live webchat service to the Council Tax section of the website so someone will be on hand to deal with any queries you may have at the click of a button - freeing up phone lines and saving you time.
