They have also started to cut back the overgrown hedge at the back of the Pavilion. Brian Moss to provide Elaine or John Openshaw with any requests. The Team can also pick up green waste from jobs carried out by our own volunteers.

b. Barnsley Bus Partnership Consultation: Tenders have been requested by SYPTE for the Bus Services now proposed through the Parish. Once these tenders have been returned approval will be sought from Sheffield City Region and Barnsley MBC. If approved the new timetables will be operational from January 2017.

d. Safety at Stainborough Crossroads: Brian Moss will contact the Tankersley Clerk, Kenny Blanton to check on their progress with SDI's and to determine whether there are lessons to be learned from their project. Richard Elmhurst said that he is proposing to reduce the height of the wall from Stainborough Crossroads along Round Green Lane which he hopes will improve visibility at the junction. He is also proposing changes to the location of signage directing people to Round Green Deer Farm. Following a number of accidents at the bottom of Lowe lane where speeding cars have been unable to negotiate the bend the installation of arrow / direction markers was suggested. Brian Moss to discuss with Andrea Jackson

e. Dog Fouling: Brian Moss and Kelvin Taylor have fitted the majority of the new signs. Two are outstanding, one is to be fixed to a concrete fence post at the entrance to the recreation ground from Greno View. This is to be fixed directly to the column by Totty's.
