All signalised crossings within Barnsley (as part of a junction or standalone Pelican, Puffin or Pegasus) have tactile paving.

All signalised crossings within Barnsley (as part of a junction or standalone Pelican, Puffin or Pegasus) have audible signals. However these are only activated when they cannot be heard at another closeby crossing point, or as part of a junction with an all-red facility. In any case, all signalised crossings within Barnsley (as part of a junction or standalone Pelican, Puffin or Pegasus) have rotating tactile cones
