Dear Requester,

Re: Request for Information – Freedom of Information Act 2000

I wish to confirm that the council has completed its search for the information which you requested.

The information requested and our findings are as follows: -

“Please could you share the number of safeguarding notifications/referrals made to your organisation involving the activities/after-school club providers for the last six years broken down:

- 1. Yearly and by age of the child involved (so 0-5, 5-8, 8-15 and 15+)**
- 2. Yearly and nature of safeguarding concern, i.e. the reason for referral**
- 3. And finally a total for the last six years, broken down by age of children and nature of safeguarding concern (for example, total number of notifications of incidents involving physical abuse within the 5-8 age group).**

In terms of time frames- could we have the figures starting from 2019-20 or the 2019 calendar year and then every year since for which the data is available. It would be preferred if this data could be made available in the form of a spreadsheet.

Please see attached.
