Dear Requester,

Re: Request for Information – Freedom of Information Act 2000

I wish to confirm that the council has completed its search for the information which you requested.

The information requested and our findings are as follows: -

With regard to residential developments, and focusing on contributions and expenditure, we would kindly request your assistance in supplying the information below.

For Section 106 documents signed between 1st January 2010 and 31st December 2014 please can you supply the following:

a) That S106 contributions were received
b) all monies unspent/unexpended
c) all monies uncommitted
d) all corresponding planning references numbers
e) any funds that have been returned to the payee
f) any money sat in account where claw back clause has expired

The Council does not currently hold any Section 106 monies that are at risk of clawback. I can also confirm that no Section 106 monies have been returned to the payee.

I can confirm there are Section 106 payments unspent relating to planning reference 2013/0280 and the Section 106 agreement was signed on 23rd January 2014, however the final payment was not received until 13th May 2021, and the wording of the Section 106 agreement is to be spent within 10 years from the payment of the final instalment.

Since 2019/20 an Annual Infrastructure Funding Statement is published on the Council's website at the following link: Local Plan research and evidence documents. These reports include the amount of Section 106 monies expended.
