Dear Requester,

Re: Request for Information – Freedom of Information Act 2000

I wish to confirm that the council has completed its search for the information which you requested.

The information requested and our findings are as follows: -

Under the Freedom of Information Act 2000 (or, for Scottish councils, under the Freedom of Information (Scotland) Act 2002), I would like to request the following information from your Trading Standards / Weights and Measures service:

- 1. The current number of public weighbridges on the register held by your authority under Section 11 of the Weights and Measures Act 1985.**

1

- 2. The date this figure is accurate to.**

12 June 2026

- 3. A copy of, or link to, the current register of public weighbridges in your area (including operator name, address and postcode where available).**

The information is available on request

1 public weighbridge in Barnsley area details are:-

Smithies Depot

Smithies Lane

Barnsley

S71 1NL

I am happy to receive the response by email in any standard format (a single number in the body of an email is fine for question 1).

If the cost of full compliance would exceed the appropriate limit under Section 12 of the Act, I would still appreciate an answer to question 1 alone, which I expect to be readily available from your Trading Standards records.

Please remember to quote the reference number above in any future communications.
