

## Barnsley Housing Land Supply - April 2011 to March 2016 – Full Site Schedule

It should be noted that very slight variations (of between 1 and 2 dwellings) do occur in the total number of dwellings in the forward supply as shown in this full site schedule and tables 3a and 10 of the Barnsley Housing Supply – 1<sup>st</sup> April 2011 – 31<sup>st</sup> March 2016 which accompanies this schedule. This is due to the rounding of figures and should not be interpreted as a mistake in the calculations carried out to develop the tables.
