

In response to the Inspectors initial questions (ID001) regarding the objectively assessed need for housing and as set out in the Council's subsequent response (BMBC002), an addendum to the SHMA and associated demographic analysis has been prepared and the housing background paper (BP3) updated. The main changes including new/ replacement text from version 1 of the Housing Background Paper are shown shaded grey.

The documents can be found in the examination library as follows.

Background Papers
