Dear Requester,

Re: Request for Information – Freedom of Information Act 2000

I wish to confirm that the council has completed its search for the information which you requested.

The information requested and our findings are as follows: -

I am writing to request information under the Freedom of Information Act 2000.

Please provide:

1. The total value of expenditure written off or impaired in each of the past three financial years in relation to projects that were cancelled, paused, or not completed as planned.

There has been no expenditure written off or impaired in the last 3 years due to projects being cancelled, paused or not completed.

However, the Council has incurred feasibility costs to assess potential projects. In some cases, the outcomes of these studies have led to a decision not to proceed with the proposed project.

2. Where held, a list of the 10 highest-value such projects since 1 April 2020, including:

*** A brief description of each project and if it was cancelled, paused or not completed as planned**

*** The amount spent prior to cancellation or abandonment**

3. Any internal category, classification, or accounting treatment used to record such expenditure (e.g. capital write-offs, aborted project costs).

If you have any queries about this letter, please contact Information Requests Via email.

Please remember to quote the reference number above in any future communications.

If you are unhappy with the way the Directorate has handled your request, you may ask for an internal review. Please clearly mark your correspondence 'Complaint' and address it to:
