Dear Mrs Housden,

Barnsley Local Plan – Interim Findings

In response to the interim findings report I can confirm that the Council wishes to pursue option 3, proceed to the stage 3 hearings.

I can confirm that the Council will carry out the additional work required. A programme of this work and associated timetable is being assembled and will be forwarded to you in due course.

In response to your comment in the interim findings regarding the apportionment of job figures across Sheffield City Region, the 'SCR Integrated Infrastructure Plan Sectoral and Local Authority Distribution of SCR 70,000 Jobs Target – Assumptions Report' produced by Ekosgen in 2014 may be helpful. We will add this to our examination library if you are agreeable.

Yours sincerely

Paula Tweed
