**This includes, but is not limited to, household waste (recycling, general waste, etc...) and commercial waste collected from businesses)**

- Please provide the commercial partners you currently use, with their registered addresses.**
- Please provide the commercial partners you have historically used, with their registered addresses. This data should begin in 2021 and finalise at the most recent period.**
- Please provide the commercial partners who currently operate the recycling centres across the borough - again, with their registered addresses.**
- Please inform me of any changes to partners in any part of the waste process in the previous year.**
