In Barnsley, we believe safeguarding is everybody's business.

Together, we can help keep our communities safe and well.

We all have the right to live free from harm and neglect.

We can help you stay safe and well by working with you to stop the harm.

Help is on hand to help you feel safe and live free from harm.

You can speak to our team by calling 01226 773300 or texting 61009, starting your text with the word 'SAFE', to tell us what's happening.
