Dear Requester,

Re: Request for Information – Freedom of Information Act 2000

I wish to confirm that the council has completed its search for the information which you requested.

The information requested and our findings are as follows: -

GeoCerta, an environmental and property risk data business in the UK, would formally like to request from your authority the following information in accordance with the above frameworks. We plan to use this information to assist home buyers understand risks associated with house purchases in your area.

- 1. Details of any sites designated Contaminated Land under Part 2A of the Environmental Protection Act 1990. We would like to understand current and former (now remediated) Part 2A sites.
We would appreciate the full address, Ordnance Survey grid reference, boundary extent and details of the nature and extent of the designation including what measures were put in place to remediate and whether this has been accepted by your authority and/or the Environment Agency/Natural Resources Wales**

Currently there are no sites that have been determined as 'Contaminated Land' - <https://www.barnsley.gov.uk/media/ji2nm2bt/contaminated-land-public-register.pdf>

- 2. Details of Part A2 and Part B processes regulated by your authority under the Pollution Prevention and Control (England and Wales) Act 1999, and the Environmental Permitting (England and Wales) Regulations 2016
We would appreciate details of all A2 installations and Part B permits in your area, including the following information: your reference for the permit, the name and address of the permit holder, the address for which the permit is granted, the Ordnance Survey grid reference, the date of issue, the process undertaken, the current status of the permit and any enforcement action. If no enforcement action has been implemented please confirm as such**

A spreadsheet has been included with this letter.

- 3. Details of historic landfills that may retained in the authority relating to old landfill practices that may include those predating formal permitting and licensing regimes**

We are unsure exactly what information you require – please can you contact PollutionControl@barnsley.gov.uk directly with further information and we will look to assist with your request.

If you have any queries about this letter, please contact Information Requests Via email.

Please remember to quote the reference number above in any future communications.

If you are unhappy with the way the Directorate has handled your request, you may ask for an internal review. Please clearly mark your correspondence 'Complaint' and address it to:
