Dear Requester,

Re: Request for Information – Freedom of Information Act 2000

I wish to confirm that the council has completed its search for the information which you requested.

The information requested and our findings are as follows: -

Please provide the following information relating to Blue Badge applications received by the council.

For each financial year from 2018-19 to the most recent year available, please provide a list of the vehicle makes and models recorded on Blue Badge applications, together with the number of applications on which each make and model was stated.

If providing the full list would exceed the cost limit under section 12 of the Freedom of Information Act 2000, please instead provide the five most commonly recorded vehicle makes and models for each year, together with the number of applications on which each was stated.

We are unable to provide any data as vehicle makes and models are not recorded on Blue Badge applications.
