Dear Requester,

Re: Request for Information – Freedom of Information Act 2000

I wish to confirm that the council has completed its search for the information which you requested.

The information requested and our findings are as follows: -

Under the Freedom of Information Act 2000, I would be grateful if you could provide the following information specifically relating to Barnsley Metropolitan Borough Council:

In relation to highways, street lighting, traffic management, or associated external lighting contracts awarded or active within the last three (3) years:

**The name(s) of the main contractor(s) appointed
The name(s) of any known subcontractors involved in delivery (where recorded)
The contract start date, duration, and estimated value (where available)**

For clarity, I am not requesting commercially sensitive pricing or detailed tender submissions.

Barnsley Metropolitan Borough Council does not employ a single external main contractor for highways and street lighting services. These functions are principally delivered by the Council's in-house Highways and Street Lighting teams, supplemented by a range of externally procured suppliers and specialist contractors through framework agreements and service contracts.

Details of individual contracts, including supplier names, commencement dates, contract periods and estimated values, are listed below and can also be obtained from the Council's Procurement Service and contract register.
