The information requested and our findings are as follows: -

The data we are requesting: We would like to know about any young people aged 16-24 who approached you as a main applicant during the financial year 2024-2025 because they were homeless or at risk of homelessness. The information we are requesting falls under the Housing Act 1996 which has been amended to include the new duties brought in by the Homelessness Reduction Act 2017, and the Children Act 1989.

15) In your authority in Quarter 3 of 2024 (1st October - 31st December 2024), how many 16-24 year olds presented themselves as homeless, or at risk of homelessness, as a main applicant?

This does not include general housing advice. By presenting we mean all who presented themselves as homeless even if they were not subsequently assessed. This might include individuals who presented before 56 days of becoming homeless, or at risk of homelessness, believed they were homeless but did not meet requirement, presented but were not eligible for homelessness assistance. We are also requesting totals for 2024-25 for questions 1-14 broken down by gender (male, female, other/unknown/not recorded), and by the following nationality categories (UK, EEA, non-EEA and Unknown). Please note that P1E returns are not suitable for this request as they do not provide data broken down by age.

Answers are on the spreadsheet provided. Please note for question 8 that nationality information is not reportable on applications that do not progress to a duty; to obtain this information, we would have to look into each individual application and to do so would exceed the time allowed.
