

Road maintenance - Road repair history

- 1) A copy of the road repair history for that road over the past year. Again, please send me the full road repair history, but this should include:
 - dates of all safety inspections between 1st December 2025 and 7 February 2026.
 - details of how safety inspections were undertaken (walked or driven, speed of inspection vehicle etc)
 - details of all carriageway defects identified, with description, date and time
 - details of how the authority handled these defects, what repairs were undertaken and the time between the identification of each defect and a repair being carried out.

Wombwell Lane Wombwell from 1.12.25 to 7.12.26

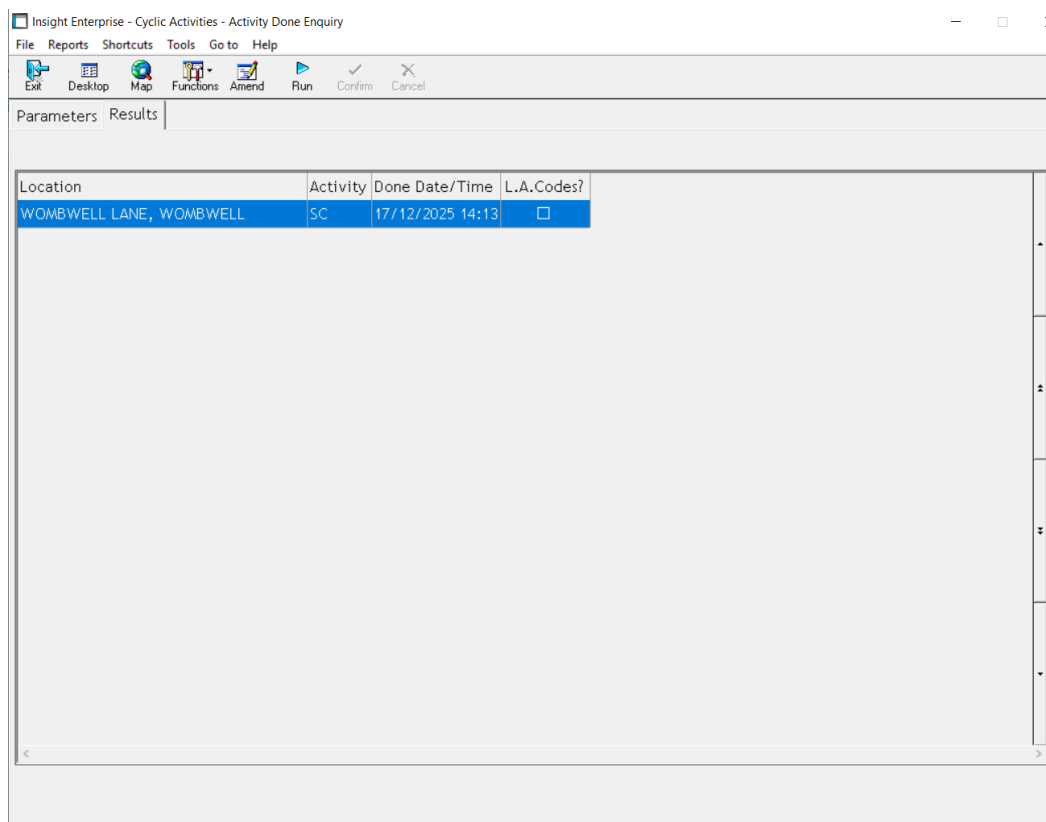

These inspections have been carried out in a fully liveried vehicle travelling at a maximum of 20mph with the Inspector as a passenger recording any defects.

When the LA code box is clear no defects were found.

Our response times for these defects are

Cat1 to be completed within 24 hours

Cat 2 to be carried out within a month
