

Flint Lane - Road repairs

2) A copy of the road repair history for that road over the past year. Again, please send me the full road repair history, but this should include:

- dates of all safety inspections between 09/12/2025 and 07/02/2026.
- details of how safety inspections were undertaken (walked or driven, speed of inspection vehicle etc).
- details of all carriageway defects identified, with description, date and time.
- details of how the authority handled these defects, what repairs were undertaken and the time between the identification of each defect and a repair being carried out.

When LA code box has a tick defects have been recorded
