Dear Requester,

**Re: Request for Information – Freedom of Information Act 2000**

I wish to confirm that the council has completed its search for the information which you requested.

The information requested and our findings are as follows: -

**1. Approved / active provider list**

**As at the date of this request, please provide a copy of any current internal list, framework, dynamic purchasing system, preferred/approved provider list or similar document used by the council for placing children and young people in:**

**a) residential children's homes;**

Barnsley MBC are members of the White Rose Yorkshire and Humber regional commissioning arrangements which includes an Electronic Market Place for Children's Residential Care. Leeds City Council lead on the procurement of this framework and information relating to this is available through them as lead at:

[WhiteRoseRegionalCommissioning@Leeds.gov.uk](mailto:WhiteRoseRegionalCommissioning@Leeds.gov.uk)

Please note that we are not currently able to meet demand or placement through the providers that are part of the White Rose EMP and therefore make off framework spot purchases with other registered providers. The information provided in the answers to Questions 2 and 3 contain information for both on and off framework placements and spend.

**and**

**b) other residential placements for looked-after children and care leavers (including, if held, semi-independent or supported accommodation).**

Currently Barnsley MBC do not have a framework for Supported Accommodation, however commissioning activity has commenced around an all age supported accommodation offer that will include provision for 16+ care leavers.

**If the list is categorised (for example by age, needs, placement type, or registration type), please include those categories/fields.**

**2. Number of children currently placed with each provider**

**As at the date of this request, please state, for each private or independent provider on that list, the number of children and young people the council currently has placed with that provider (a simple headcount, not identifiable information).**
