Dear Requester,

Re: Request for Information – Freedom of Information Act 2000

I wish to confirm that the council has completed its search for the information which you requested.

The information requested and our findings are as follows: -

I am writing to request information under the Freedom of information Act relating to a road your authority is responsible for maintaining.

Specifically, my query relates to the B6106, Flint Ln, near Fox House Farm and the Fox House Restaurant.

Please can you send me:

- 1) A copy of your current road maintenance policy relating to that road. Please send me the full policy, but this should include details of the intended frequency of road safety inspections, how these inspections should be conducted and the maximum time between identification of a defect and repairs being carried out.**

Flint lane carriageway is inspected on a monthly basis based on the guidelines laid out in the Well Maintained highway code of practise 2005 (attached). Time between inspection depends on categorisation of defect. Our categorisations are:

Cat 1 – to be completed within 24 hours of identification
Cat 2 - to be completed within 1 month of identification

- 2) A copy of the road repair history for that road over the past year. Again, please send me the full road repair history, but this should include:**

- **dates of all safety inspections between 09/12/2025 and 07/02/2026.**
- **details of how safety inspections were undertaken (walked or driven, speed of inspection vehicle etc).**
- **details of all carriageway defects identified, with description, date and time.**
- **details of how the authority handled these defects, what repairs were undertaken and the time between the identification of each defect and a repair being carried out.**
