Dear Requester,

Re: Request for Information – Freedom of Information Act 2000

I wish to confirm that the council has completed its search for the information which you requested.

The information requested and our findings are as follows: -

During the period 1 January 2015 to 31 December 2020, S106 contributions were received under various legal agreements. We acknowledge that these funds were collected, and in many cases, expended.

Please confirm:

- **The total value of S106 contributions received during this period that remain unspent and are no longer capable of being lawfully spent.**
- **For each instance, the amount held and the relevant planning application reference.**
- **Whether any such funds are subject to repayment to developers or require renegotiation due to the expiry of the relevant obligations.**
- **Confirmation that these funds are held within your accounts and are clearly recorded and linked to the relevant planning application references and S106 agreements.**

The Council does not currently hold any Section 106 monies that are at risk of clawback. All monies received within this period have either been committed or expended in line with the wording of the Section 106 agreements.

Since 2019/20 an Annual Infrastructure Funding Statement is published on the Council's website at the following link: [Local Plan research and evidence documents](#). These reports include the amount of Section 106 monies expended.

If you have any queries about this letter, please contact Information Requests via email.
