

Achievements	Planned Actions
<p>Developed a resource to help adults struggling with hoarding to explore the emotional impact – now being tested</p>	<p>Based on learning from recent reviews we are wanting to help workers visiting homes of adults who can't give information about family members, medication or care arrangements in a message in a bottle in the "fridge"</p>
<p>Included hoarding of animals in the Hoarding policy , based on learning from "Tony" - https://www.barnsley.gov.uk/media/kgekkobm/self-neglect-and-hoarding-policy.pdf</p>	<p>Support wanted from customers and the public to develop our communications plan from 2026.</p>
<p>Received feedback from research we were involved in. will use this to develop new resources/training</p>	<p>Will complete audits to explore use of the Mental Capacity Act, quality of safeguarding concerns, how members of the public knew how to tell us about safeguarding concerns.</p>
<p>Completed a review into the death of Tony, action plan developed to embed the learning, especially around working with adults with sensory impairments https://www.barnsley.gov.uk/media/2oyfm1so/tony-sar-approved-2024-digital-copy.pdf</p>	<p>Plans to develop a safeguarding adults' review author pool within Barnsley to reduce costs .</p>
<p>NEW Chair for Barnsley Safeguarding Adults Board appointed. Vanessa Rolfe has replaced Marianne Huison. Welcome Vanessa, goodbye Marianne.</p>	<p>Agreed to complete a review into the deaths of seven adults who were either homeless or insecurely housed at the time of their deaths. This will be jointly completed with Barnsley Safeguarding Partnership</p>
