Dear Requester,

Re: Request for Information – Environmental Information Regulations 2004

I wish to confirm that the council has completed its search for the information which you requested.

The information requested and our findings are as follows: -

We act for a proposed purchaser of the Property, the approximate extent of which is edged in red on the enclosed plan. Please let us have replies to the following enquiries:

1. Has the Council issued its written strategy on the strategic approach to the inspection of contaminated land? If so, please provide a copy or provide details of how we may obtain a copy.

Yes. Please see attached document.

2. Has the Council pursuant to this written strategy, or for any other reason, undertaken an inspection of the Property within the last ten years?

No, the council has never undertaken an inspection of the property within the last 10 years.

3. Has the Property been identified as 'contaminated land' under Part IIA of the Environmental Protection Act 1990. If not, does the Council have any reason to believe that the Property may be identified as 'contaminated land' under this legislation in the future.

No. The property has not been identified as contaminated land under this legislation
