Dear Requester,

Re: Request for Information – Freedom of Information Act 2000

I wish to confirm that the council has completed its search for the information which you requested.

The information requested and our findings are as follows: -

Do you have an excel sheet of unexpended/unused/unspent s106 contributions as the particular clawback of 5/7/10 years has expired? If you hold data for the last 10 years, please can you confirm the amounts that may be sat in your accounts that can no longer be used dependant on the clawback from January 1st 2015 up to the end of 2018?

The Council does not currently hold any Section 106 monies that are at risk of clawback. All monies associated with this period have been expended.

Since 2019/20 an Annual Infrastructure Funding Statement is published on the Council's website at the following link: [Local Plan research and evidence documents](#). These reports include the amount of Section 106 monies expended.

If you have any queries about this letter, please contact Information Requests via email.

Please remember to quote the reference number above in any future communications.
