FOOD INITIATIVE FUND APPLICATION FORM

Please return completed form to goodfoodpartnership@barnsley.gov.uk

POVERTY ACTION BARNSELEY

Objectives of the Poverty Action Fund

The purpose of the Poverty Action Fund is to support initiatives designed to reduce the impact of poverty on Barnsley residents.

It will contribute to poverty prevention through collaboration and partnership working.

It aims to reduce food insecurity and improve access to good quality food for all.

It will ensure that Barnsley residents who serve or have served in the armed forces, and their families, are treated fairly.

All partners, working under the Poverty Action Fund will respect each other and work towards the common vision of: Barnsley - the place of possibilities

The Barnsley 2030 plan outlines four key priorities, these are:

- 1) Healthy Barnsley**
- 2) Growing Barnsley**
- 3) Learning Barnsley**
- 4) Sustainable Barnsley**

About Healthy Barnsley:

- People are safe and feel safe.
- People live independently with good physical and mental health for as long as possible.
- We have reduced inequalities across the borough.

About Growing Barnsley:

- New and existing businesses are supported to invest in employment opportunities for all.
- The borough is welcoming, safe and enjoyable as a destination for work, shopping, leisure, culture and tourism.

About Learning Barnsley:

- People have the opportunities for lifelong learning and developing new skills.
- Children and young people achieve the best outcomes through improved educational achievement and attainment.
- People have access to early help and support.

About Sustainable Barnsley:

- People live in a great place and are supported to have warm, sustainable homes where they are connected and valued in their community.
- Our heritage and green spaces are promoted for all people to enjoy.

Enabling Barnsley - Be bold. Be brave. Be innovative.

Enabling Barnsley connects our vision, values and behaviours, so that we all understand and share the same goal. It's how we use digital tools to get the best results. It's how we make the most of our buildings and resources, and explore alternative ways to deliver our services, ensuring we achieve value for money in everything we do.
