This report identifies, in the opinion of the inspecting officer, the food hygiene legislation you have failed to meet,. This is listed as a code under the heading **LEGAL**. The codes are all listed on the back of the report. There may be some legal contraventions which did not come to light during the inspection. These will not be included in this report. Each LEGAL code also has a Food Hygiene Rating (**FHR**) code to help you understand how your overall Food Hygiene Rating has been determined.

You should aim to complete the actions listed in this report, or actions which achieve the same effect, by the date stated in the "**Date to complete**" column of the report. Further enforcement action could follow if you do not.

Recommendations of good food hygiene practice may also be listed in the "**R**" column.

Contact the inspecting officer if you need to discuss this report further. If you need to speak to a senior officer please contact the Food and Health & Safety - Service Manager on 01226 773743.

### Food Hygiene Rating Display

Your food hygiene rating will be published at [www.food.gov.uk/ratings](http://www.food.gov.uk/ratings). Ratings of 5 will usually be published within 14 days of receipt of your report. Other ratings will be published after 35 days from your inspection. You can request your rating to be published sooner - [www.food.gov.uk/business-guidance/food-hygiene-ratings-for-business](http://www.food.gov.uk/business-guidance/food-hygiene-ratings-for-business).

After your inspection you will be given a food hygiene rating window sticker. Display of this sticker at your premises is voluntary at the moment. **It is an offence to display an incorrect food hygiene rating and mislead your customers.**

### If you are unhappy with your food hygiene rating you have certain rights:-

#### Right to Reply

You can add a comment to the food hygiene rating website. Email your comments to Regulatory Services or alternatively download a form - <https://www.food.gov.uk/business-guidance/food-hygiene-ratings-for-businesses>

You can explain to your customers the reasons why you achieved the rating you did and the actions you have taken since your inspection. Your comments may be edited, as you cannot complain or criticize the food hygiene rating scheme or the inspecting officer.

#### Right to Appeal

If you think your rating is wrong or unfair you have **21 days** from the date of receipt of the rating to appeal against it. If you do not appeal within 21 days your food hygiene rating will be published as normal.

Before appealing you should discuss your rating with the inspecting officer. Appeals must be in writing. Contact Regulatory Services or alternatively download a form - <https://www.food.gov.uk/business-guidance/food-hygiene-ratings-for-businesses> Complete and return the form to the address below.

If you appeal 'awaiting publication' will be displayed on the food hygiene rating website. Your appeal will be reviewed within **7 days** of receipt and you will be told of the outcome. If you disagree with the local authority's decision you can only challenge it by a judicial review.

**Right to request a Re-inspection** - There is a charge payable for re-inspections. Please contact us for the current cost. You can request a re-inspection at any time, however, only make a request if you have taken enough action to address the non-compliances identified in your inspection report. Contact Regulatory Services or download a form – <https://www.food.gov.uk/business-guidance/food-hygiene-ratings-for-businesses>.

Complete the form and return it to the address below. Provide details of all improvements made and include supporting evidence and a contact telephone number. You will be contacted and advised how to pay. Payments are usually taken over the phone. **An unannounced re-inspection will take place within 3 months from payment.** Your 'new' food hygiene rating will be based on the level of compliance found at the time of this re-inspection and not just the requirements from your initial inspection, therefore your "new" food hygiene rating could **go up, down or remain the same.**
